**PROUD TO BE A PAREL VALLEIER**

**NEWSLETTER**

25 February 2011

Dear Parents

After all the hard work, time and energy we put into the Athletics has paid off with another great win, I would like to focus that same energy on the academics of the school.

Tests: The test series is well under way and I refer you to the circular which was sent out to all parents last week. I call on you to support this test system. It works well and is the source of our academic success. Research as well as experience has shown that regular testing, hand-in-hand with good follow-up work leads to good results. Please follow these instructions carefully and don't try to "bend" the rules. I encourage every pupil to work hard for their tests, always trying to achieve the best results possible.

General appearance and neatness: Our new rule of only having the white short-sleeve summer shirt of the blazer as the outer garment is working well. It has made a huge difference to the overall neatness of our learners. Thank you to the great majority for following this rule so closely. There are still a few "confusions" over what summer uniform and what winter uniform is!

Summer uniform:

1. Mondays - Always a blazer as the outer garment.
2. Tuesday to Friday - Either a PV blazer or a white PV shortsleeve shirt with a badge on the pocket.
3. Only Matrics - May wear the white matric jersey as the outer garment. Monday still only a blazer.

4. Boys:

- 4.1 Grey shorts, long grey socks and black lace-up school shoes.
- 4.2 Grey long trousers, short grey socks and same shoes etc. As in 4.1

5. Girls:

- 5.1 Navy blue school skirt with white short sleeve school shirt (with PV and badge) and either "daisy" style shoes with short (rolled over) white socks or lace-up shoes.

The summer uniform will be worn in terms 1 and 4 and the winter uniform in terms 2 and 3.

Remember: Please always be neatly groomed and keep those shoes shiny!

Yours sincerely
